

YOUR CONTRIBUTION AT WORK

Through your support, BJE: Builders of Jewish Education ensures a strong Jewish future by:

- **Helping families find and connect with the “right” Jewish educational opportunity for their child,**
- **Enhancing the quality of Jewish education in Los Angeles and**
- **Increasing children’s access to Jewish education.**

You can be sure that when you invest in BJE, your money has real impact on Jewish children and their families. BJE is always evaluating Jewish educational needs in Los Angeles and creating new programs or enhancing current programs to address those needs. The LA BJE is recognized as a thought and innovation leader in the field of Jewish education.

BJE’s national reputation enables it to leverage significant dollars from foundations, corporations and the Federal Government to further the three part mission described above.

Through your support, the Jewish identity of the children and grandchildren in our community will be deeply rooted.

Thank you for helping BJE not only meet its fundraising goal this year, but also leverage millions of dollars in grant funding for the benefit of the children in our community.
